Learn English at GELI

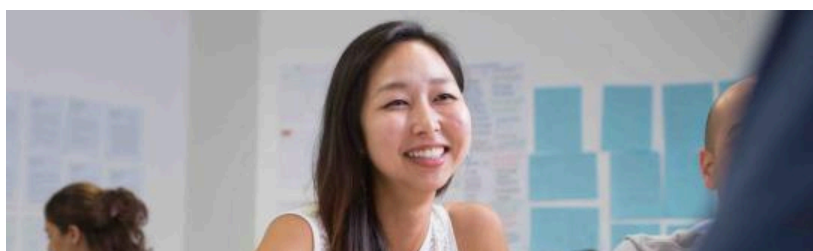

Whether you're preparing for university, developing your career, or improving your everyday communication skills, Griffith English Language Institute offers English language courses to help you succeed. With small classes, experienced teachers and additional support through myStudy, students receive personalised guidance throughout their learning journey.

GENERAL ENGLISH

Designed around the four core language skills – listening, speaking, reading, and writing – our courses help you improve fluency and accuracy in spoken English, expand your vocabulary, develop your understanding of different English accents, and build the confidence to communicate effectively in real-life situations.

You will:

- Improve your writing skills and accuracy.
- Expand your vocabulary and grammar.
- Gain the confidence to use English outside the classroom.

ACADEMIC ENGLISH

Offered at four levels, GELI Academic English is designed to prepare international students for success in Australian higher education. The program develops the English language, academic literacy and study skills needed to confidently participate in lectures, tutorials, presentations, group discussions and academic writing.

You will

- build practical skills in reading, writing, listening and speaking.
- develop study skills such as critical thinking, research, independent learning and time management.
- learn the expectations of students studying in Australia.

Successful completion of Academic English at the suitable level provides direct entry to Griffith University (Degree, Study Abroad or Exchange program) and Griffith College.

IELTS PREPARATION

Improve your skills and learn the test strategies and techniques you need to achieve your very best IELTS score. Our IELTS courses will develop and improve all the necessary skills such as writing well-structured essays and expressing ideas clearly and effectively when speaking. Regular test practice and guidance will give you the confidence you need when taking the official test. IELTS is globally recognised and enables our students to achieve their goals and dreams, from entry to university to career advancement and for migration purposes.

You will:

- read quickly and understand graphs, tables and charts.
- learn to organise the content of a range of texts and develop your writing with grammatical accuracy.
- be able to take notes and listen for specific information.
- develop your ability to express your ideas and ask for clarification, and improve your pronunciation.

Cambridge Preparation – B2 First

Our Cambridge preparation courses fast track your reading, writing, listening and speaking skills and give you a strong foundation in both grammatical accuracy and vocabulary range. By providing clear exam strategies and techniques with regular exam practice and one-to-one teacher support, you will develop life-long study skills and have the very best chance to succeed with high grades in the official Cambridge examination.

You will:

- improve your reading skills to better understand written texts on general topics.
- produce a range of texts, including letters, emails, articles, reviews, reports and essays.
- improve your listening skills across a range of situations from short monologues to multi-person conversations between native speakers.
- learn to speak with greater control and accuracy, and develop your pronunciation and intonation.
